**RE: WTC TENANT LISTS**

Jason,

I have attached the following:

1. The tenant lists for all the tenants in both Towers which we forwarded last November which you did not have (3 attachments), and
2. The corrections to your list in page and name order (2 attachments)

Regarding the contacts, you will see that in many cases, some of the firm names you had are either part of another firm, a firm who has moved out or a firm who changed names. I have annotated them. We are still having a tough time with contacts for the smaller tenants. Some went out of business and others relocated. I'll keep trying.

Nancy
Atts.
